🏠 About Me

A recent graduate from Jimma University with a degree in Software Engineering (**3.97 CGPA**). Graduated with high honors and was awarded a Gold Medal for having the highest grade from the faculty. Possess strong leadership and teamwork abilities having been in charge of all class projects throughout my academic career. Experienced in working both independently and in teams to develop various software projects. Interested in artificial intelligence and have a strong desire to advance in that field.

🎓 Education

2019 – 2022
Jimma, Ethiopia

BSc Software Engineering
Jimma Uiversity
3.97 CGPA
Graduated with high honors and received a Gold Medal award for having the highest CGPA from the Faculty of Computing and Informatics.
